

A. NAME

Kirsti Johanna Ellen Reinikka

E. EDUCATIONAL BACKGROUND (since high school)

Degrees and Diplomas

2007	Master of Public Health (MPH) Lakehead University Thesis: Metaboreflex Response to Isometric Handgrip Exercise in People Living with Parkinson Disease
2000	Bachelor of Health Sciences, Physiotherapy (BHScPT) McMaster University
1997	Bachelor of Arts, English (BA) Lakehead University
1995	Bachelor of Science, Natural Science (BSc) Lakehead University

Certified Continuing Education

Oct 2007	A Step Above Prosthetic Gait Training Course
Apr 2007	Chedoke Arm & Hand Activity Inventory (CAHAI) Workshop
Mar 2005	Chedoke- McMaster Stroke Assessment Workshop (organizer & participant)
Oct 2004	Optimizing Neurological Rehabilitation – Carr and Shepherd

Certified Continuing Education (continued)

Dec 2004	Anatomy Review
Oct 2004	Movement Impairment (Sahrmann) – Level II
Oct 2003	Movement Impairment (Sahrmann) – Level I
Nov 2001	Mulligan Concept Course- Lower Quadrant- Manual Therapy
Sept 2001	Acupuncture Foundation of Canada Institute – Level I Part I
Aug 2001	Introductory Course in Neuro Developmental Treatment
Apr 2001	APTEI- Shoulder Complex- Part I
Mar 2001	Optimal Rehabilitation for People with Osteoporosis – Level I
Sept 2000	Level I- Peripheral- Vertebral Certificate- Manual Therapy

F. CURRENT STATUS AT MCMASTER

2007 Jul-2010 Jun	Assistant Clinical Professor, School of Rehabilitation Science, McMaster University
-------------------	--

G. PROFESSIONAL ORGANIZATIONS

2007 – Oct 2010	Member Health Human Resources Roundtable, North West Local Health Integration Network (LHIN)
1998 – present	Member Canadian Physiotherapy/ Ontario Physiotherapy Association

H. EMPLOYMENT HISTORY

University Appointments

2010 – present	Assistant Professor, Clinical Sciences, Northern Ontario School of Medicine
2010 – present	Assistant Professor, Lakehead University
2010 – present	Assistant Professor, Laurentian University
2007 – present	Assistant Clinical Professor, School of Rehabilitation Science, McMaster University

Academic

Apr - May 2006	Facilitator: Distributed Learning Sessions Northern Ontario School of Medicine
Jan 2004 – Mar 2006	Physiotherapy Clinical Education Coordinator Health Sciences North/ Northern Ontario School of Medicine

Administrative

Jun 2009 – Jan 2011	Manager Rehabilitation Studies Continuing Health Professional Education Unit Northern Ontario School of Medicine
Jan 2008 – Jun 2010	Coordinator Sustainability of Community-Based Exercise Programmes St. Joseph's Care Group (Thunder Bay)
April 2005 – Mar 2006	Coordinator Interprofessional Education Programme Health Sciences North/ Northern Ontario School of Medicine

Jan 2004 – Mar 2005 Coordinator
Communities of Practice Programme
Health Sciences North/ Northern Ontario School of
Medicine

Clinical

Aug 2010 – present Coordinator
Community-Based Exercise Programmes
St. Joseph's Care Group (Thunder Bay)

May 2001 – present Physiotherapist
St. Joseph's Care Group (Thunder Bay)

2006 – present Physiotherapist
Private Practice – Neurology

Nov 2008 – April 2009 Physiotherapist
George Jeffrey Children's Centre (Thunder Bay)

2000 – 2001 Physiotherapist
Lady Dunn General Hospital (Wawa)

1991 – 2001 Case Manager, Peer Supervisor, Direct Care Staff
Wesway Services (Thunder Bay)

Consulting

Aug 2007 – present Research Affiliate
Northwestern Ontario Regional Stroke Network/
Thunder Bay Regional Health Sciences Centre

Nov 2008 – April 2010 Study Coordinator
Tele-Rehab: Improving Access to Quality Stroke
Rehabilitation in Rural and Remote Communities
Northwestern Ontario Regional Stroke Network/
Thunder Bay Regional Health Sciences Centre

Jan – August 2009 Project Lead
Standardized Patients for Interprofessional Education
and Care Roles
Northern Ontario School of Medicine

I. SCHOLARLY AND PROFESSIONAL ACTIVITIES

Executive Positions

Sep 2010 – present	Member Board of Directors Avenue II Community Program Services
Apr 2008 – Apr 2009	Past-President Northwestern Ontario District of the Ontario Physiotherapy Association
Apr 2006 – Apr 2008	Co-President Northwestern Ontario District of the Ontario Physiotherapy Association
Apr 2006 – present	Co-Chair Local Health Integration Network Sub-Committee Northwestern Ontario District of the Ontario Physiotherapy Association
Mar 2005 – Mar 2006	Acting Chair Physiotherapy Quality Practice Council St. Joseph's Care Group
Apr 2001 – Apr 2004	Public Relations Representative Northwestern Ontario District of the Ontario Physiotherapy Association

Other Professional Activities

Sep 2010 – present	Chair
Sep 2009 – Aug 2010	Member Community-Based Exercise Programme Steering Committee Thunder Bay, ON
Dec 2008 – present	Member Advocacy Sub-committee Physiotherapy Quality Practice Council St. Joseph's Care Group
Jun 2008 – Apr 2010	Research Liaison, Parkinson Disease Community-Based Exercise Programmes for People Living with Chronic Neurological Conditions. St. Joseph's Care Group
Aug 2007 – Apr 2009	Co-Investigator/ Research Consultant Design, Implementation, and Evaluation of a Community-Based Exercise Programme for People Living with Stroke. Northwestern Ontario Regional Stroke Network/ Thunder Bay Regional Health Sciences Centre

Aug 2007 – Apr 2009	Creator Fitness Instructor Training Programme: Community-Based Exercise for People Living with Stroke. A computer-based, electronic training module for community Fitness Instructors using a Competency-Based Education Training approach. Northwestern Ontario Regional Stroke Network/ Thunder Bay Regional Health Sciences Centre
Nov 2008	Instructor Principles of Physical Rehabilitation: A Training Workshop for Personal Support Workers in Remote First Nation Communities. Northwestern Ontario Regional Stroke Network/ Thunder Bay Regional Health Sciences Centre
Oct 2006 – Jul 2008	Co-Investigator Videoconferencing a Full Day Training Workshop: Effectiveness, Acceptability, and Cost. St. Joseph's Care Group. In collaboration with Northwestern Ontario Regional Stroke Network/ Thunder Bay Regional Health Sciences Centre, McMaster University (Hamilton, ON), Baycrest (Toronto, ON)
Sept 2005 – Mar 2006	Creator Fitness Instructor Training Programme: Community-Based Exercise for People Living with Parkinson Disease. A computer-based, electronic training module for community Fitness Instructors using a Competency-Based Education Training approach. St. Joseph's Care Group
Sept 2005 – Nov 2006	Co-Investigator Design, Implementation, and Evaluation of a Community-Based Exercise Programme for People Living with Parkinson Disease. Lakehead University/ St. Joseph's Care Group
2001 – 2007	Member Design and implementation of a multi-disciplinary Osteoporosis Clinic serving the community of Thunder Bay. St. Joseph's Care Group
2003 – present	Clinical Instructor Physiotherapy/ Rehabilitation Assistant Students

J. AREAS OF INTEREST

Administrative

Programme Evaluation

Clinical

Generalist Practice

Use of Technology to enhance practice/patient outcomes

Consulting

Research- see below

Neurology – Acquired Brain Injury; Paediatrics

Other

Health Care Reform

Primary Health Care

Health Promotion

Innovation and emerging roles for rehabilitation clinicians

Research

Design, Implementation, and Evaluation of Community-Based Programmes for People Living with Chronic Conditions

Continuing Professional Development

Programme Evaluation

Use of Technology to Enhance Clinical Practice/Patient Outcomes

K. HONOURS AND AWARDS

2009	2009 – Community Partnership Award, Ontario March of Dimes Recipient: Northwestern Ontario Regional Stroke Network in recognition of the research, development and implementation of the community-based exercise programme, Keep Moving with Stroke
2008	Special Award – Ontario Physiotherapy Association Co-President, Representing Northwest District

L. COURSES TAUGHT

McMaster University – School of Rehabilitation Sciences
MSc Physiotherapy Program:

Jul 2007 – present	Clinical Lab Coordinator Community Health/ Community Practice Northern Studies Stream
Jan 2007	Lecturer Primary Health Care Community Health/ Community Practice Northern Studies Stream

Dec 2009 – Jul 2010	Project Supervisor Research and Evidenced-Based Practice Tele-Rehab: An Exploration of Participant Perspectives
Dec 2006 – Jul 2007	Project Supervisor Research and Evidenced-Based Practice Evaluation of Outcomes Post-Total Knee Arthroplasty in Two Hospital-Based, Out-Patient Settings
Dec 2005 – Jul 2006	Project Supervisor Research and Evidence-Based Practice Evaluation of a Community-based Exercise Programme for People Living with Parkinson Disease
Jan – Mar 2005	Tutor Problem-Based Tutorials Community Health/ Community Practice Northern Studies Stream
Jan – Mar 2004	Tutor Problem-Based Tutorials Community Health/ Community Practice Northern Studies Stream
June 2004	Lecturer Preceptor 101 Transition to Practice

FHS Teaching Before 1999

McMaster Teaching Outside FHS

Teaching Outside of McMaster

Apr – May 2006	Facilitator Distributed Learning Sessions Northern Ontario School of Medicine (Thunder Bay)
----------------	---

M. SUPERVISORSHIPS

Mar 2011 – present	Supervisor MSc student, McMaster University (1): RS 730
Jan 2011 – Jun 2011	Supervisor MScPT Physiotherapy student, McMaster University (1): Development of a Community-Based Exercise Programme for Pulmonary Rehabilitation in Thunder Bay, ON
Dec 2009 – Jul 2010	Supervisor MScPT Physiotherapy students, McMaster University (3): Tele-Rehab: An Exploration of Participant Perspectives
May – Jul 2008	Monitor Physiotherapy Resident (Completed), St. Joseph's Care Group, Thunder Bay, ON

Aug 2007 – Dec 2007	Supervisor MScPT Physiotherapy students (Completed), University of Toronto (1), McMaster University (1): Development of a Fitness Instructor Training Programme: Community-Based Exercise for People Living with Stroke
Dec 2006 – Jul 2007	Primary Supervisor MScPT Physiotherapy students (Completed), McMaster University (2): Evaluation of Outcomes Post-Total Knee Arthroplasty in Two Hospital-Based, Out-Patient Physiotherapy Settings
Dec 2005 – Jul 2006	Primary Supervisor MScPT Physiotherapy students (Completed), McMaster University (3): Evaluation of the Impact of a Community-Based Exercise Programme for People Living with Parkinson Disease

N. RESEARCH FUNDING

Grants

Primary Investigator's name is the first name listed

2009 – 2010	Heart and Stroke Foundation of Ontario: \$106,670.00. Tele-Rehab: Improving Access to Quality Stroke Rehabilitation in Rural and Remote Communities. Esmé French, Maria Huijbregts, Kirsti Reinikka .
2007 – 2009	Heart and Stroke Foundation of Ontario: \$57,500.00. Evaluation of the Impact of an Eight-Week, Stroke- Specific Exercise Programme Developed by Physiotherapists and Delivered in the Community by Trained Fitness Facilitators. Esmé French, Kirsti Reinikka , Anne MacLeod (Co-PIs).
2007 – 2009	Ontario Ministry of Health Promotion – Communities in Action Fund: \$52,930.00. The Research and Development of a Training Package for Community Facilitators to Implement an Exercise Class for Persons Living with Chronic Stroke. Esmé French, Kirsti Reinikka , Anne MacLeod (Co-PIs).

- 2006 – 2007 Northern Ontario School of Medicine – Practice-Based Research Programme: \$4,800.00. Evaluation of Outcomes Post-Total Knee Arthroplasty in Two Hospital-based, Out-patient Physiotherapy Settings. Armagail North, **Kirsti Reinikka**, Michelle Addison, Maureen Dillon, Angelo Melchiorre, Kirk Whalen.
- 2006 – 2007 Thunder Bay Community Foundation – R.K. Dewar Research Award: \$5,000.00. Evaluation of a Community-Based Exercise Programme for People with Parkinson Disease. **Kirsti Reinikka**, Anne MacLeod, Michel Johnson, Michel Bédard.
- 2006 – 2007 Physiotherapy Foundation of Canada – Targetted Research Grant for Community-Based Physiotherapy: \$5,000.00. Development of a Community-Based Exercise Programme for People with Parkinson’s Disease. Anne MacLeod, **Kirsti Reinikka**, Michel Johnson, Michel Bédard.

Career Awards, Endowed Chairs and Other Funding

- 2008 – 2010 Ministry of Health Promotion – Communities in Action Fund 2008 – 2010: \$39,043.00. Community-Based Exercise Programmes for People Living with Chronic Neurological Conditions.
Liaisons: **Kirsti Reinikka**, Esmé French, Linda Adamson
- Jan – Apr 2008 North West Local Health Integration Network – Innovations in Coordinated Care Fund: \$14,036.53. Sustainability of Community-Based Exercise Programmes.
Coordinators: **Kirsti Reinikka**, Linda Adamson
- Jan – Apr 2008 North West Local Health Integration Network – Innovations in Coordinated Care Fund: \$50,002.00. Production of a Facilitator Training Programme (DVD): A Community-Based Exercise Programme for Stroke Survivors.
Co-Creators: Esmé French, Anne MacLeod, **Kirsti Reinikka**
- 2006 – 2007 St. Joseph's Care Group – Rehabilitation Network: \$5,000.00. Production of a Multimedia Platform for Community Fitness Facilitators.
Co-Creators: **Kirsti Reinikka**, Anne MacLeod
