

Peter Leon Rosenbaum

rosenbau@mcmaster.ca

e. EDUCATIONAL BACKGROUND

1960-1965	B.Sc, McGill University
1963-1967	M.D, C.M., McGill University
July 1967-June 1968	Rotating Internship, Royal Victoria Hospital, Montreal
July 1968-June 1969	Junior Resident, The Hospital for Sick Children, Toronto
July 1969-June 1970	Senior Resident, The Hospital for Sick Children, Toronto
Sept 1970-June 1973	Research Fellow, The Wolfson Centre, Institute of Child Health University of London, England
1974	Royal College Certification, F.R.C.P.(C) Pediatrics

f. CURRENT STATUS

2009-	Acting Chair, Department of Paediatrics, McMaster University
2009-	Assoc. Member, Department of Clinical Epidemiology & Biostatistics, McMaster University
2009-	Active Member, Hamilton Health Sciences, Department of Pediatrics
2009-	Active Member, St. Joseph's Healthcare Hamilton, Department of Pediatrics
2007-2012	Director, McMaster Child Health Research Institute
2007-2012	Scotia Bank Chair in Child Health Research
1997-	Professor, Department of Paediatrics, University of Toronto
2001-2013	Canada Research Chair in Childhood Disability, Canadian Institutes of Health Research
2001-	CRC Chair of Childhood Disability Research, Dissem. & Mentoring
2001-	Joint Appt., School of Rehabilitation Science
2001-	Associate Member, Department of Health Administration, University of Toronto
2001-	Associate Member, School of Graduate Studies, University of Toronto
1984-	Professor, Department of Paediatrics, McMaster University

1977- CAWAR, Professor, Department of Paediatrics, McMaster University

1973- Active Staff, Chedoke Division, Chedoke-McMaster Hospitals.

Past:

2007-2008 Interim Director, McMaster Child Health Research Institute

1994-2001 Associate Appointment, School of Rehabilitation Science, McMaster University

1973-1997 Medical Director, Children's Developmental Rehabilitation Program, Hamilton

1997-2000 Chief of Medical Staff, Bloorview-MacMillan Centre, Toronto

1996-2009 Associate Member, Department of Clinical Epidemiology and Biostatistics, McMaster University

1994-1999 National Health Scientist, Health Canada

1978-1994 Director of Paediatrics, Chedoke Child and Family Centre

g. PROFESSIONAL ORGANIZATIONS:

1974- Fellow, American Academy for Cerebral Palsy and Developmental Medicine

1978-1981 Member Research and Awards Committee, AACPDM

1981-1984 Member, Scientific Program Committee, Annual Meetings, AACPDM.

1982 Chairman, Scientific Program Committee, Annual Meeting, AACPDM.

1984-1995 Editor, Newsletter, American Academy for Cerebral Palsy and Developmental Medicine (AACPDM)

1989-1992 Elected Member, Board, AACPDM

1996-1998 President, AACPDM

1976-1981 Overseas Editor, CHILD - Care, Health and Development, 1976-81;
2001 Editorial Board

1976-1986 Member, Board, The Easter Seal Research Institute

1976-1986 Member, Grant Review Committee, The Easter Seal Research Institute

1982-1985 Vice-Chairman, Board, The Easter Seal Research Institute

- 1978-1984 Member, Program Planning and Review Committee, The Easter Seal Society
- 1978- Member, Professional Advisory Committee, The Easter Seal Society
- 1985-1987 Vice-Chairman, Professional Advisory Committee, The Easter Seal Society
- 1988-1993 Chairman, Professional Advisory Committee, The Easter Seal Society
- 1977-1997 Member, Board, Hamilton District Society for Disabled Children
- 1981-1986 Member, Fellowships Committee, The Ontario Mental Health Foundation
- 1985-1986 Chairman, Fellowships Committee, The Ontario Mental Health Foundation
- 1983-1985 Member, Working Group on Child and Adolescent Long-Term Care, Health and Welfare Canada
- 1984-1990 Member, Editorial Board, Developmental Medicine and Child Neurology
- 1985-1987 Consultant, Royal Society of Canada's Commission on Lead in the Environment
- Fellow, Association for Child Psychology and Psychiatry.
- Fellow, Society for Developmental Pediatrics.
- Member, Society for Behavioral Pediatrics.
- Fellow, Canadian Paediatric Society.
- 1998 Member, Canadian Paediatric Society's Awards Committee
- 2000- Member, Scientific Advisory Council, United Cerebral Palsy Research and Educational Foundation
- 2001 April Member, National Institute of Child Health and Human Development Special Emphasis Panel RFA HD-00-016 "Innovative Rehabilitation Interventions"
- 2002-2005 Member, Child Health Committee (CHI), CIHR; Scientific Officer of CHI
- 2003- Member, Institute Advisory Board, Institute of Human Development, Child and Youth Health, CIHR
- 2005- Member, Interdisciplinary Research Advisory Committee, Alberta Centre for Child, Family and Community Research
- 2007- North American Editor, Mac Keith Press

h. EMPLOYMENT HISTORY:

- i) Academic

- ii) Research:
- iii) Other:

i. SCHOLARLY AND PROFESSIONAL ACTIVITIES

i) External Grant Reviewer

Ontario Ministry of Health; Medical Research Council of Canada; Canadian Institutes of Health Research; National Institutes of Health; Hospital for Sick Children Foundation; Fond de Recherche en Santé de Quebec; Laidlaw Foundation; Physicians' Services Inc.; Health and Welfare Canada; B.C. Health Care Research Foundation; Alberta Heritage Foundation; United Cerebral Palsy Research and Educational Foundation; March of Dimes Birth Defects Foundation; Alberta Centre for Child, Family and Community Research.

ii) Journal Reviewer

Developmental Medicine and Child Neurology; Journal of Child Psychology and Psychiatry; Archives of Physical Medicine and Rehabilitation; Child: Care, Health and Development; Quality of Life Research; Journal of Pediatrics; Archives of Diseases of Childhood; Mental Retardation and Developmental Disabilities Research Reviews; Journal of the National Cancer Institute.

j. AREAS OF SPECIAL INTEREST

- i) Research Mental health and psychosocial well-being of children with disabilities and their families.
 - Natural history of motor function in children with cerebral palsy.
 - Measurement of functional health states and quality of life of children with disabilities.
 - Evaluation of therapies in developmental medicine.
 - Family-centred services – promotion and evaluation
 - Program evaluation in developmental medicine.
- ii) Teaching Communication of "Bad News" in clinical medicine.
 - Concepts of child development as applied to children with disabilities and their families.
 - Critical appraisal and research methodology.
- iii) Consulting Medico-legal consultation concerning developmental disability - aetiology and prognosis.

k. HONOURS

- 1970-1971 Fellowship to train in Developmental Paediatrics, Ontario Ministry of Health
- 1971-1973 Fellowship to train in Developmental Paediatrics, Medical Research Council
- 1974 F.R.C.P.(C) Royal College of Physicians and Surgeons of Canada
- 1991 A.T.C.O. Pin, Association of Children's Treatment Centres

- 1993 Distinguished Service Award, Easter Seal Society
- 1994-1999 National Health Research Scientist Award, Health and Welfare Canada
- 1994 The John Whittaker Award, research award administered by The Hugh MacMillan Rehabilitation Centre Research Department
- 1995 Folke Bernadotte Stipendiate, Swedish Neuropediatric Society lectureship (first Canadian to be so honoured).
- 1996-1998 President, American Academy for Cerebral Palsy and Developmental Medicine (first Canadian to be so honoured).
- 2000 Ross Award, Canadian Paediatric Society
- 2000-2005 Senior Investigator Award, Canadian Institutes of Health Research (declined)
- 2001-2007 Canada Research Chair in Childhood Disability – CIHR
- 2008-2014 Canada Research Chair in Childhood Disability – CIHR
- 2002 United Cerebral Palsy Research and Educational Foundation Weinstein-Goldenson Scientific Awardee “The Weinstein-Goldenson Award is presented annually to a clinician- scientist for outstanding contributions in medical research which enhance the lives of persons with cerebral palsy and their families.”
- 2002 With Drs. G. Ronen and D. L. Streiner) IBE-SPACE Sanofi-Synthelabo, first prize for the paper, "The quest to improve outcome in children with epilepsy: development of self-report and parent-proxy health-related quality of life measures"
- With several *CanChild* Motor Development Group colleagues: The American Academy for Cerebral Palsy and Developmental Medicine (AAPDM) 2003 Gayle G. Arnold Award for Excellence in the Care of Children with Cerebral Palsy for the paper "Prognosis for Gross Motor Function in Cerebral Palsy" (September 2003). This paper was also recognized by the Canadian Centre of Excellence for Early Child Development at the University of Montreal as one of the ten of the best scientific papers published on early childhood development in 2002 by teams of researchers that included at least one member from a Canadian institution.
- 2005 With the *CanChild* ‘Caregiver’ group, AAPDM 2005 Gayle G. Arnold Award for Excellence in the Care of Children with Cerebral Palsy for the paper “The Health of Parents of Children with Cerebral Palsy: How Does It Compare to Other Canadian Adults?”
- 2006 With Swedish colleagues, AAPDM 2006 Gayle G. Arnold Award for Excellence in the Care of Children with Cerebral Palsy for the paper “The Manual Abilities Classification System (MACS): Reliability and Validity”
- 2002-2003 Teaching Excellence Award (Associate Faculty Category), Department of Clinical Epidemiology and Biostatistics, McMaster University
- 2005 North American Editor, *Developmental Medicine and Child Neurology* (UK).

Honorary Doctor of Science, Université Laval

- 2005 With the *CanChild* 'Caregiver' group, AACPDM Gayle G. Arnold Award for Excellence in the Care of Children with Cerebral Palsy for the paper "The Health of Parents of Children with Cerebral Palsy: How Does It Compare to Other Canadian Adults?"
- 2006 With Swedish colleagues, AACPDM Gayle G. Arnold Award for Excellence in the Care of Children with Cerebral Palsy for the paper "The Manual Abilities Classification System (MACS): Reliability and Validity"
- 2007 Mentorship Award, American Academy for Cerebral Palsy and Developmental Medicine, Vancouver
- 2007 Doris Griffith Award, Ontario Federation for Cerebral Palsy, Toronto
- 2009 Emil Becker Award from the "Gesellschaft Neuropädiatrie" (German Neuropaediatric Society), Graz Austria

I. COURSES PREVIOUSLY TAUGHT

- Undergraduate - Tutor Unit IV (Neurology, Psychiatry, Locomotor) (1987-1991)
- Consultant, Units I, V.
- Clerkship preceptor, Pediatrics.
- Graduate - Tutor in Clinical Epidemiology and Biostatistics courses:
MS 721 (Fundamentals of Clinical Epidemiology)
MS 730 (Introduction to Research Methods)
MS 744 (Measurement in Health Research)
- Postgraduate - Clinical supervisor for residents and Fellows in Developmental Pediatrics
- Other - How to Teach Critical Appraisal (One-week course offered by CEB, 1987-1993)
Faculty member, Grant Writing Workshop (NIH-funded program), University of Virginia, 2002-

m. SUPERVISORSHIPS

Professional 1-3 Fellows annually in Developmental Pediatrics (to 1997); clinical, academic and research supervision, currently in the Department of Clinical Epidemiology and Biostatistics and the School of Rehabilitation Science at McMaster.

Graduate Student Committees (since 1986)

Ph.D. Committees: Dr. Robert Armstrong (McMaster University (Member)
Mr. John Hay (McMaster University) (Member)
Ms. Mary Law (University of Waterloo) (Member)
Ms. Lucyna Lach (University of Toronto) (2001- 2003) (Member)
Ms. Beth Tieman (Hahnemann University) (2001-02) (Member)
Ms. Virginia Wright (McMaster University) (2000-2005) (Supervisor)
Mr. Chris Morris (University of Oxford – 2002-2005) (Co-supervisor)

Ms. Gillian Saloojee (University of Witwatersrand, South Africa) 2004-6 (Co-supervisor)
 Dr. Piush Mandhane (McMaster University) 2004- (Member)
 Ms. Dianne Russell (University of Utrecht) 2004-05 (Co-supervisor)
 Ms. Marilyn Ballantyne (University of Toronto) – 2004 –
 Ms. Deborah Almost (McMaster University)– (Supervisor) 2005-
 Ms. Nora Fayed (McMaster University) – (Supervisor) 2007-
 Dr. Katja Groleger (University of Ljubljana) – (Co-Supervisor) 2007-
 Ms. Elena Bamm (2006 -) (Supervisor)
 Ms. Susan Guenther (McMaster University) (Committee) 2008-
 Ms. Beata Batorowicz (McMaster University) 2008 – (Committee)

Master's Committees:

Supervisor

Dr. A. K. Niswade
 Dr. Darcy Fehlings
 Ms. Christine Zaza
 Dr. Archana Chowdhury
 Dr. Dipty Jain
 Ms. Deb Almost
 Dr. Maureen O'Donnell
 Dr. Patricia Parkin
 Mr. John Wiernokowski (1995-1996)
 Dr. Ellen Wood (1995-1998)
 Dr. Sylviane Forget (1995-2005)
 Dr. Marie Kim (1996-2002)
 Dr. Elizabeth Astalos (1999-2002)
 Ms. Gissele Damiani (2001-2004)
 Ms. Kim Whibbs (2001-2006)
 Ms. Marilyn Wright (2006-09 [parttime])
 Dr. Eyal Cohen (McMaster University) – (Supervisor) 2006-
 Ms. Heather Boyd (2006 -08)

Member

Ms. Dianne Russell
 Ms. Cathy Evans
 Mr. Will Boyce
 Dr. Ciaran Duffy
 Dr. Harriet MacMillan
 Ms. Susanne King
 Dr. Karen Smith
 Dr. Chandra Pandav
 Dr. M. Kandamuthan
 Dr. P. Fowlie
 Ms. D. Stewart
 Dr. G. Ronen
 Dr. M. Lawson
 Ms. M. Casey
 Dr. S. Vohra
 Ms. Sandy Steinwender 2003-2006
 Dr. Khalid AlFaleh – 2004-2006

External Examiner, Master's and Doctoral Theses:

Dr. Dinah Reddihough, MD Candidate, University of Melbourne, 2000
Sharon Friefeld, PhD candidate, University of Toronto 2003
Kelly Foster, MSc Candidate, Brock University, 2003
Belinda Garth, PhD Candidate, LaTrobe University, Melbourne Australia 2005
Renate Siebes, PhD Candidate, University of Utrecht, February 2006
Véronique Parent, PhD Candidate, Université Laval, August 2006
Iona Novak, PhD Candidate, University of Western Sydney, Australia, 2008

Mentoring Activities

- 1994-1996 Dr. Ellen Wood, Developmental Pediatric fellow and Duncan Gordon Fellowship recipient
Currently clinical and research colleague in Halifax at Dalhousie University
- 1998- Dr. Gabriel Ronen, Pediatric Neurologist at McMaster
- 1996-2001 Dr. Harriet MacMillan, Child Psychiatrist at McMaster and W.T. Grant Foundation Clinical
Scholar
- Dr. Darcy Fehlings, Developmental Pediatrician, Bloorview MacMillan Centre.
- 2005- Dr. Raj Srivastava, Developmental Pediatrician in Salt Lake City, Utah
- 2005- Dr. Nancy Murphy, Developmental Rehabilitation, Salt Lake City, Utah
- 2004- Dr. Jilda Vargas-Adams, Developmental Paediatrician, Cincinnati Children's Medical Centre
- 2004- Dr. Ronit Mesterman, Paediatric Neurologist, McMaster University
- 2004- Dr. Maureen Dobbins, School of Nursing, McMaster University
- 2002- Dr. Teresa Carter, Developmental Paediatrician, McMaster University
- 2004- Dr. Deborah O'Rourke, Physical Therapist, University of Vermont
- 2005- Dr. Mary Jo Cooley Hidecker, speech pathologist, Michigan State University

n. RESEARCH FUNDING

1. Principal Investigator, "Effects of a Buddy System on Attitudes Toward Disabled School Children", funded by Conn Smythe Research Foundation for Crippled Children, 1981-83 (\$46,907), with Dr. R. Armstrong.
2. Principal Investigator, "A Randomized Controlled Trial of Two Intervention Strategies Designed to Improve Children's Attitudes Toward Disabled Peers", funded by The Hospital for Sick Children Foundation, April 1983 (\$38,000), with Dr. R. Armstrong. (HSC #83-22)
3. Principal Investigator, "Validation of a Gross Motor Function Measure for Assessment of Outcome in the Treatment of Cerebral Palsy", funded by Conn Smythe Research Foundation for Crippled Children, 1983-86 (\$62,938), with Dr. D. Cadman, Ms. C. Gowland and Ms. S. Jarvis.

4. Co-investigator, "A New Test for Muscular Endurance in Pediatric Neuromuscular Disorders", funded by Conn Smythe Research Foundation for Crippled Children, 1984 (\$16,756), with Drs. O. Bar-Or and E. Tirosh.
5. Principal Investigator, "Social Function of the Disabled School Child", funded by The Hospital for Sick Children Foundation and NHRDP, April 1984 (\$40,225), with Dr. R. Armstrong. (HSC #84-44)
6. Principal Investigator, "Determinants of Children's Attitudes Towards Disability", funded by Conn Smythe Research Foundation for Crippled Children, November 1984 (\$29,118), with Dr. R. Armstrong.
7. Co-investigator, "A Family-Focused Mental Health Model for Children with Chronic Disability", funded by Health and Welfare Canada, 1985-86, with Dr. D. Cadman, Dr. P. Szatmari, Dr. D. Streiner and Ms. J. McNamee.
8. Co-investigator, "Evaluation of Treatment for Childhood Cancer: Costs, Benefits and the Quality of Life", funded by Ministry of Health, 1985-87 (\$240,789), with Dr. D. Feeny, Dr. R. Barr, Dr. M. Stevens, Dr. G. Torrance and Dr. A. Zipursky.
9. Co-investigator, "501-1,000 Gm. Birthweight Infants at School Age", funded by The Hospital for Sick Children Foundation, 1985-88 (\$174,017), with Dr. S. Saigal. (HSC #ESPM 85-201)

Co-investigator, "Neurodevelopmental Therapy and Casting for Cerebral Palsy", funded by Ministry of Health, 1986-88 (\$153,218), with Dr. D. Cadman, Ms. M. Law, Mr. J. McIntosh and Dr. S. Walter.
10. Principal Investigator, "Home or Cerebral Palsy Centre: Where Should the Initial Assessment of Disabled Children be Done?", funded by Ontario Ministry of Community and Social Services Lottery Grants Program, 1987 (\$10,964).
11. Principal Investigator, "Pyridostigmine in Hypotonic-Ataxic Cerebral Palsy: A Pilot Study", funded by The Easter Seal Research Institute of Ontario, 1987 (\$3,641), with Drs. O. Bar-Or and P. Frid.
12. Co-investigator, "Development of an Instrument to Measure Gross Motor Performance for Evaluation of Treatment Outcome in Cerebral Palsy", funded by The Easter Seal Research Institute of Ontario, 1987-1988 (\$32,430), with Mr. W. Boyce, Ms. C. Gowland, Ms. S. Hardy, Dr. D. Cadman and Ms. D. Russell.
13. Co-investigator, "Validation of a Measure of Upper Extremity Movement for Children with Cerebral Palsy", funded by The Easter Seal Research Institute of Ontario, 1988 (\$16,250), with Ms. M. Law, Ms. C. DeMatteo, Ms. D. Russell, Ms. N. Pollock, Dr. D. Cadman, Dr. S. Walter.
14. Principal Investigator, "Measuring Processes of Caregiving to Children with Neurodevelopmental Disorders and Their Families", funded by The Easter Seal Research Institute, 1988 (\$27,987), with Dr. D. Cadman.
15. Co-investigator, "Efficacy of Intrathecal Baclofen in the Treatment of Spasticity in Children", funded by British Columbia Health Care Research Foundation, 1989 (\$106,590), with Drs. R.

Armstrong, K. Farrell and P. Steinbok.

16. Co-investigator, "Learning Disabilities in children 501-1000g BW", funded by Ontario Ministry of Health, 1989-1990 (\$35,590), with S. Saigal, P. Szatmari, D. Campbell. (Grant #02819)
17. Co-investigator, "Validation of an Instrument to Measure Gross Motor Performance for Evaluation of Treatment Outcome in Cerebral Palsy", funded by Health and Welfare Canada, 1989-1991 (\$188,644), with Mr. W. Boyce, Dr. C. Goldsmith, Ms. C. Gowland, Ms. S. Hardy, Ms. D. Russell.
18. Co-Director, Neurodevelopmental Clinical Research Unit, a Health System-Linked Research Unit funded 1989-1994 by Ontario Ministry of Health (\$2 Million - Year I \$346,229/ Year II \$428,647/Year III \$453,367), with Dr. D. Cadman, Mrs. C. Gowland and Mrs. M. Law. The NCRU was refunded 1994-99 (\$435,000 per year), and as *CanChild* has now been funded until March 31, 2007, pending the next phase of the Ontario Ministry of Health's planning for centres like this one.
19. Co-investigator, "1990/91 Feasibility Study Funding for Expanded Role Nurses in Neonatal Intensive Care", funded by Ontario Ministry of Health, 1990 (\$163,009), with Ms. A. Mitchell, Ms. D. Southwell, Dr. G. Guyatt et al.
20. Co-investigator, "High Intensity Neurodevelopmental Therapy and Casting for Cerebral Palsy", funded by Ontario Ministry of Health, April 1990-October 1992 (\$223,765), with Ms. M. Law, Dr. D. Cadman, Dr. S. Walter, Ms. C. DeMatteo and Ms. D. Russell.
21. Co-principal Investigator, "The Development and Application of a Quality of Life and Parental Life Attitude Measure in Individuals with Myelomeningocele", funded by Ontario Ministry of Health, 1991-93 (\$80,682), with Drs. H. Kirpalani, P. Parkin, and D. Cadman.
22. Co-investigator, "Environmental Factors and Activity Patterns of Disabled Children", funded by Hospital for Sick Children Foundation, February 1991-July 1993 (\$60,966), with Ms. M. Law, Dr. M. Haight, Dr. D. Willms, and Dr. B.M. Milroy. (HSC #XG 90-059)
23. Co-investigator, "Measuring Processes of Caregiving and Parental Psychosocial Well-Being", funded by Ontario Ministry of Health, April 1991-March 1993 (\$133,210), with Dr. G. King, Ms. S. King and Dr. A. Willan.
24. Co-investigator, "Lower Extremity Splinting for Children with Cerebral Palsy", funded by Ontario Ministry of Health, April 1991-March 1993 (\$200,860), with Ms. C. Evans, Ms. C. Gowland, Ms. D. Russell, Dr. A. Willan and Mr. D. Weber.
25. Co-principal Investigator, "Training with the GMFM Using Videodisc Technology", funded by Committee on Teaching and Learning (\$3,382) and Advanced Instructional Technology Initiatives (\$3,220), McMaster University, 1992-1993, with Ms. C. Gowland and Ms. D. Russell.
26. Co-investigator, "The Development of a Measure to Assess the Quality of Life in Ventilated Patients with Duchenne Muscular Dystrophy", funded by The Hospital for Sick Children Foundation, 1992-1993 (\$47,622), with Drs. Fehlings, Canny and Webster. (HSC #XG 92-042)
27. Co-investigator, "Quality of Life of Children < 1000 G BW and Term Controls at 3, 5, and 8

Years of Age: Retrospective Application of Multi-attribute Health State”, funded by Hospital for Sick Children Foundation, 1992-1994 (\$99,997), with S. Saigal, D. Feeny, W. Furlong and G. Torrance. (Grant No. XG 92-043)

28. Co-investigator, "Quality of Life of Children <1000 g Birthweight and Term Controls", funded by Ontario Ministry of Health, 1992-1995 (\$309,394), with Dr. S. Saigal, Dr. D. Feeny, Mr. W. Furlong and Dr. G. Torrance.
29. Principal Investigator, "Measuring Caregiving and Parental Psychosocial Well-Being", funded by Ontario Ministry of Health, 1993-1995 (\$161,069), with Dr. G. King, Mrs. S. King and Dr. A. Willan.
30. Principal Investigator, Pilot work and preparation for the Canadian "National" Study, (\$35,800), United Cerebral Palsy Research and Educational Foundation, January to December 1994.
31. Principal Investigator, "Gross Motor Function Measure Data Base Project - Phase I". Partially funded by The Easter Seal Research Institute, July 1994, and also by National Health Research and Development Program, December 1994 to December 1995 (\$24,780).
32. Consultant, "Quality of Life in People with Duchenne Muscular Dystrophy", funded by The Hospital for Sick Children Foundation, 1994-1996 (\$100,000), with Dr. D. Fehlings et al. (HSC #XG 93-027)
33. Co-investigator, "Validation of a Down Syndrome Outcome Measure", funded by Medical Research Council of Canada, 1994-1996 (\$150,078), with Ms. C. Gowland, Ms. D. Russell, Dr. N. Davis, Dr. A. Willan, Ms. J. Gibson. (MA-12537)
- 34.. Co-Principal Investigator, Neurodevelopmental Clinical Research Unit, a Health System-Linked Research Unit funded by Ontario Ministry of Health, 1994-1999 (\$326,000 per annum), with Dr. M. Law, Dr. S. Walter and Dr. G. King. (02693). Funding Continued to at least 2005.
35. Co-investigator, "Comparison of Preferences of Health Professionals, Consumers and General Public for Pediatric Health States”, funded by Health and Welfare Canada, 1995 (\$52,226), with S. Saigal, D. Feeny, and W. Furlong.
36. Co-investigator, "Development of a Multi-Attribute Health Status Classification for Preschool Children”, funded by Medical Research Council of Canada (MRC), 1995-1997 (114,862), with S. Saigal, D. Feeny, and W. Furlong (Grant No. MA-12956)
37. Principal Investigator, "Development of Gross Motor Function in Children with Cerebral Palsy: Creation of 'Motor Growth Curves'", funded by MRC, January 1996 (\$295,000 for 3 years), with Dr. R. Palisano, Dr. S. Walter, Ms. D. Russell, Dr. E. Wood and Dr. P. Raina. (MT-13476)
This study, under the title "Motor Growth Curves in Cerebral Palsy: A Guide for Rehabilitation", was funded by NIH (R01-HD-34947), February 1997-January 2002 (\$691,659 US = \$940,000 CAN).
38. Co-investigator, "Towards the Formulation of a Rational Assessment of Developmental Delay in the Young Child", funded by The Hospital for Sick Children Foundation, March 1996-February 1998 (\$80,000), with Dr. M. Shevell and Dr. A. Majnemer. (HSC #XG96-0033)

39. Co-principal Investigator, "Rehabilitation Outcomes: From Research Into Practice, Making New Knowledge Available to Service Providers", funded by Chedoke-McMaster Hospitals, March 1996-March 1998 (\$250,000), with Dr. M. Law, Ms. N. Pollock, Ms. D. Russell, Dr. G. King and Ms. S. King. (CSD 96-142)
40. Co-investigator, "North American Growth in Cerebral Palsy Project", funded by Genentech Foundation for Growth and Development, October 1996-September 1998 (\$200,618 for 2 years), with Drs. R. Stevenson, V. Stallings, W. Chumlea, R. Henderson, G. Worley, G. Liptak, M. O'Donnell.
41. Co-investigator, "Are Preferences for Health Outcomes Stable Over Time? A Longitudinal Study Among High-Risk Pregnant Women and Mothers of High-Risk Infants", funded by Medical Research Council of Canada (MRC), 1997-2000 (\$127,046), with S. Saigal, B. Brennan, and D. Streiner.
42. Co-investigator, "Are Preferences of Parents of Premature Infants Stable Over Time", funded by Hospital for Sick Children Foundation (HSC), 1998-2000 (\$129,602), with S. Saigal, & D. Streiner.
43. Co-Investigator, "The Participation of Children with Physical Disabilities" (Dr. Mary Law, PI), approved by National Institute for Child Health and Human Development at NIH for \$1,300,000 US – 2000-2003.
44. Co-Principal Investigator (with Dr. Mary Law), "Development of a Canadian Childhood Disability Research Consortium." MRC's CIHR Opportunity Fund, October 1999 – September 2000, \$43,810.
45. Co-Principal Investigator (with Dr. Parminder Raina), "Health and Well-Being of Caregivers of Children with CP". Funded January 2000 by MRC (\$170,000 per year for two years).
46. Co-Principal Investigator (with Dr. Mary Law), "Acquired Brain Injury in Childhood: Moving Evidence into Practice", \$25,000, funded by Economical Mutual Assurance Company, April 2000
47. Co-Principal Investigator (with Mary Law), "Information Transfer: What do Decision-Makers Want and Need from Researchers?" Funded April 2001 (one year) \$59,698, Ontario Ministry of Health.
48. Principal Investigator, "Research Partnerships in Childhood Disability: Exploiting Innovative Technologies to Facilitate Multi-site Research and Dissemination". Funded (autumn 2001) by the Canada Foundation for Innovation \$226,753.
49. Principal Investigator "Adolescents with CP: What happens to mobility and self-care?" Funded April 2002 for five years (\$189,000 per year), Canadian Institutes of Health Research.
50. Co-Investigator (with Dr. Gillian King), "Understanding the values, priorities and world views of families raising children with chronic developmental conditions" . Funded (June 2002) by Canadian Institutes of Health Research (\$90,000 over three years).
51. Co-Investigator (with Dr. Gillian King), "Measuring the External Impact of University-

Community Research Alliances and partnerships Addressing Social/Health Service Issues”. Funded 2002 by the Social Sciences and Humanities Research Council (\$150,000 over three years).

p. PRESENTATIONS AT MEETINGS

1. "Environmental Influences on Development", Seminars in Perinatal Medicine, McMaster University, January 1976.
2. "The Detection and Management of Developmental Problems", Invited guest speaker, Continuing Medical Education Program, Sault Ste. Marie, April 1979.
3. "Integration of Physically Handicapped Children in School", Invited guest speaker, 23rd Annual Convention of the Ontario Provincial Federation of Chapters, Council for Exceptional Children, Hamilton, October 1979.
4. "Short Course in Pediatrics", Guest speaker, Division of Continuing Medical Education Dalhousie University, Halifax, December 1979 (three separate presentations given).
5. "Child Development - A Contemporary Perspective", presentation at "Pediatric Update", sponsored by Department of Pediatrics, McMaster University, Niagara-on-the-Lake, September 1980.

6. "Current Concepts in Infant Development", presented at the Ontario Crippled Children's Centre "Multidisciplinary Approach Management, An Overview of Pediatric Rehabilitation", January 1981.
7. "Bowel and Bladder Management in Children with Spina Bifida", presentation at "Pediatrics Update", sponsored by Department of Pediatrics and Continuing Medical Education, McMaster University, Niagara-on-the-Lake, September 1981.
8. "The Family and the Physically Handicapped Child", (with Mr. P. Pettingill), presented at "Education and Integration of the Physically Handicapped Preschooler", sponsored by The Easter Seal Society, Toronto, October 1981.
9. "Cutting Through the Stress and Making it Work for You and the Kid!" (with Mr. P. Pettingill), presented at "Niagara South Board of Education Professional Development Day", Welland, May 1982.
10. "What About the Physically Handicapped Kid on the Block", presented at "Niagara South Board of Education Professional Development Day", Welland, May 1982.
11. "Early Intervention: Scientific and Pragmatic Views", Guest speaker at Clinical Day, Children's Hospital of Michigan "Developmentally Disabled Children", Detroit, MI, September 1982.
12. "Infant (Education) Stimulation", presented at Ontario Association for the Mentally Retarded "Making A Good Start", Ottawa, April 1983.
13. Guest Lecturer, 7th Annual Duncan Seminar, Seattle, WA, May 1984. "Issues in the Diagnosis and Treatment of Developmental Disabilities Workshop, "Truth Disclosure: Communicating 'Bad News' to Families" - Member, Panel, "Validating Clinical Judgment: The Role of Objective Observation and Experimental Design"
14. "Parental Suffering - Deny, Minimize or Explore, Share" (with Mr. P. Pettingill), The Association of Treatment Centres of Ontario Annual Meeting, Toronto, May 1984.
15. "Studies in Children's Attitudes Towards Disability", The Association of Treatment Centres of Ontario Annual Meeting, Toronto, May 1984.
16. Guest Lecturer, American Academy for Cerebral Palsy and Developmental Medicine Regional Course, "Growing Up with Cerebral Palsy", Wilmington, DE, April 1985.
17. Guest Lecturer, Children's Memorial Hospital, Omaha, NB, April 1985, "Issues in Follow-Up of At-Risk Children" and "Truth Disclosure: Communicating 'Bad News' to Families".
18. Guest Lecturer, Perinatal Conference, Lincoln, NB, April 1985, "Truth Disclosure: Communicating 'Bad News' to Families".
19. Keynote Speaker "Children with Special Needs: The Issues - Present and Future" at "Sharing the Caring" Conference, sponsored by The Easter Seal Society, Toronto, November 1985.
20. Guest Speaker, Visiting Lecture Series, Ste. Justine Hospital, Montreal, PQ, December 1985, "Prevention of Psychosocial Problems in Children with Chronic Illness".

- 21 Invited Guest Speaker at "A Greater Awareness of Cerebral Palsy", 2nd Symposium on Cerebral Palsy, sponsored by The Spastic Children's Association of Singapore, Singapore, February 1986.
 - Cerebral Palsy - An Overview
 - Early Diagnosis of Developmental Delay
 - Family Counselling
 - Medical Aspects of Cerebral Palsy
 - Management of Athetoid Cerebral Palsy in Canada
 - Approach to Understanding the Educational Needs of Cerebral Palsied Children and Approach to Their Management
 - Management of the Severely Handicapped Cerebral Palsied Child

- 22 "The Centre as a Community Resource", The Association of Treatment Centres of Ontario Annual Meeting, Kingston, May 1986.
 - Keynote Speaker "Prevention of Handicap - The Role of the Treatment Centre" -"Planning, Funding and the Organization of Multi-Centre Research Projects" (with Mr. W. Boyce)

- 23 "Children with Chronic Handicaps: Implications for Care-Giving", presented at "Redesigning Relationships in Child Health Care", sponsored by Division of Continuing Medical Education, University of British Columbia and British Columbia Children's Hospital, Vancouver, BC, February 1987.

- 24 Guest Lecturer, Janeway Child Health Centre 20th Anniversary, "Prevention of Psychosocial Problems in Children with Chronic Illness" and "Studies on Children's Attitudes Toward Disability", St. John's, NFLD, April 1987.

- 25 Visiting Professor, Department of Pediatrics, and Children's Rehabilitation Center, University of Virginia, April 13-15, 1988. Pediatric Grand Rounds, and paper "Preventing Secondary Social Disability in Children with Cerebral Palsy" at Symposium on Cerebral Palsy.

- 26 "Rhizotomy as a Means of Controlling Tone" (co-ordinator), Symposium presented at American Academy for Cerebral Palsy and Developmental Medicine Annual Meeting, Toronto, October 1988.

- 27 Visiting Professor, Department of Pediatrics, and Kluge Children's Rehabilitation Center, University of Virginia, April 10-13, 1989. Leader of site visit on Research Program at KCRC, and paper "Can Developmental Intervention Prevent Psychosocial Problems in Disabled Children and Their Families?", at 2nd Annual Symposium on Cerebral Palsy.

- 28 Visiting Professor, Crippled Children's Association of South Australia, October 9-20, 1989.

- 29 Site Visitor, NIH Study Group, Johns Hopkins University, April 1990.

- 30 Visiting Professor, Department of Pediatrics, and Kluge Children's Rehabilitation Center, University of Virginia, April 5-6, 1990.

- 31 Keynote Speaker, "Children and Youth with Developmental Motor Disabilities: Meeting the Challenge", Vancouver, B.C., June 13-15, 1991.

- 32 Invited Lecturer, Indiaclen, "Clinical Measurement", Lucknow, India, September 1991.

- 33 Participant, "Selective Dorsal Rhizotomy", Symposium at American Academy for Cerebral Palsy and

- Developmental Medicine Annual Meeting, Louisville, KY, October 1991.
- 34 Invited Speaker, "Clinically Based Outcome Measures in Cerebral Palsy", presented at Symposium on Priorities for Treatment of Children with Spastic Diplegia, sponsored by American Academy of Orthopedic Surgeons/Shriner's Hospitals, Charlottesville, VA, November 1991.
 - 35 Invited Speaker, "Can We Talk? The Art of Interviewing in Pediatric Practice", University of Toronto/Department of Psychiatry, Toronto, ON, December 1991.
 - 36 Keynote Speaker, "Research in Child Development: An Ideal Opportunity for Partnerships", presented at "Challenging Effectiveness: Issues and Solutions in Child Development and Rehabilitation Research", Vancouver, BC, March 1992.
 - 37 Invited Participant, "Think Tank on Issues in Cerebral Palsy", World Federation of Neurology's Little Foundation, Wallingford, England, April 1992.
 - 38 Invited Speaker, 1992 Pediatric Resident Research, Day, University of Western Ontario, London, ON, June 1992.
 - 39 Invited Speaker, "Management: Conceptual, Medical and Practical Issues", presented at Canadian Association for Child Neurology "Day in Cerebral Palsy", Winnipeg, MB, June 1992.
 - 40 Invited Participant, "Issues for Consumers and Community", panel presentation at First Annual Pediatric Long-Term Care Conference, Toronto, ON, September 1992.
 - 41 Visiting Professor and Feldman Lecturer, Glenrose Hospital and Cerebral Palsy Associations in Alberta, Edmonton, AB, February 24-26, 1993.
 - 42 Invited Speaker, Pediatric Grand Rounds, Sunny Hill Hospital, Vancouver, February 1994.
 - 43 Invited Member, Canadian International Melatonin Study, Vancouver, February 1994 and on-going.
 - 44 Invited Speaker, "Quantification of Movement: Clinical Usefulness", presentation at Spectrum of Developmental Disabilities XVI Conference, "Cerebral Palsy - Neuroscience Into Practice", Johns Hopkins University, Baltimore, March 1994.
 - 45 Keynote Speaker, Tay Sachs and Allied Disorders International Conference, Toronto, April 1994.
 - 46 Workshop presentation on client-centred practice, Association for the Care of Children's Health International Conference, Toronto, May 1994.
 - 47 Workshop on assessing parental perceptions of caregiving for children with maxillofacial deformities, American Cleft Palate Association Conference, Toronto, May 1994.
 - 48 Half-day workshop on client-centred practice, Association of Treatment Centres of Ontario Conference, Mississauga, May 1994.
 - 49 Invited Presentations, "Does Therapy Work? The Need for Outcome Assessment" and "The Gross Motor Function and Performance Measures", at Orthopedic Perspectives in Cerebral Palsy, Miami

Children's Hospital, June 1994.

- 50 Invited Presentation, "Research on Parental Perspectives About Caregiving for Children with Disabilities", at "Stronger Children - Stronger Families", 1994 International Year of the Family Conference on the UN Convention on the Rights of the Child, Victoria, BC, June 1994.
- 51 Invited Participant, "Health Care Financing: Impact on a Child with a Chronic Disability", symposium at American Academy for Cerebral Palsy and Developmental Medicine Annual Meeting, New Orleans, September 1994.
- 52 Invited Presentation, "The Gross Motor Function Measure", at the Mac Keith Meeting (co-sponsored by the Royal Society of Medicine): "Measuring Outcome After Physical Intervention for Motor Disability", London, England, November 10-11, 1994.
- 53 Guest Speaker, "Report to Parents from the MPOC Research Group on the Development of a Measure of Processes of Care", at A Family Matter: Resource and Responsibilities in Changing Times, presented by Metro Agencies Representatives' Council, Toronto, November 1994.
- 54 Folke Bernadotte Stipendiate, Sweden, January 1995. This two-week Swedish lectureship is a prestigious biennial award made by the Swedish Folke Bernadotte Foundation to an internationally-recognized expert in the field of neurodevelopmental disabilities. It involved delivering a pair of lectures in seven Swedish cities, as well as participation in research symposia in Gothenburg and Malmö. I was the first Canadian to be honoured with this award.
- 55 Invited Speaker, "Breaking Bad News to Parents", at Day In Perinatology, Hamilton, April 1995.
- 56 Presidential Guest Lecturer, "Measuring Outcomes in Childhood Disability: What Do We Want to Know, and How Do We Find Out?", at the Association of Children's Prosthetic-Orthotic Clinics Annual Meeting, Vancouver, May 1995.
- 57 Guest Speaker, "Measure of Processes of Caregiving" and "Measuring Outcomes in Rehabilitation", presented at Alfred I. Dupont Institute Pediatric Rehabilitation Seminar: "Rehabilitation and Reform: Navigating the Waters, Wilmington, DE, May 1995.
- 58 Invited Presentation, "Parent Perceptions of Caregiving - Moving Toward Family-Centred Care", at Child Health 2000, 2nd World Congress and Exposition, Vancouver, May 1995.
- 59 Invited Paper, "Considerations for Choosing and Using Measures of Motor Function", (with Ms. Dianne Russell), at International Sven Jerring Symposium, Stockholm, SW, June 1995.
- 60 Invited Speaker, "Working Together for Children with Physical Exceptionalities", at Professional Development Day, Hamilton-Wentworth Roman Catholic Separate School Board, Hamilton, November 1995.
- 61 Visiting Professor, "Management of Developmental Disabilities: From Philosophy to Practice" and "Children with Disabilities - What Do Families Want from Professionals?", at IODE Children's Centre, North York, ON, November 1995.
- 62 Visiting Professor, "Measuring Parents' Perceptions of Care for Children with Chronic Health or Development Problems", at Research Seminar Series Lecture, Montreal Children's Hospital,

Montreal, PQ, January 1996.

- 63 Invited Workshop, "Developmental Disabilities Research: What Do We Need to Know? How Can We Find Out?", (with Dr. R. Palisano), at American Physical Therapy Association Combined Sections Meeting, Atlanta, GA, February 1996.
- 64 Invited Speaker, "Developmental Disabilities: Concepts for Physicians Counselling Parents" and Invited Workshop, "Classification of Developmental Disabilities: Illustrated by a Staging System for Motor Disabilities", at Developmental-Behavioral Disorders and A Spectrum of Pediatric Challenges, 14th Annual Conference sponsored by Hackensack University Medical Center, Hilton Head SC, May 1996.
- 65 Invited Speaker, "Functional Outcome Measurement in Pediatric Rehabilitation", at American Academy of Physical Medicine and Rehabilitation Annual Meeting, Chicago, October 1996.
- 66 Invited Speaker, "Family Centredness: How Do We Know We Are Family Centred In Our Practice?", at Joint Conference of Ontario Association for Infant Development and Canadian network for Early Intervention, Mississauga ON, October 1996.
- 67 Invited Workshop, "Measuring Outcomes in Children with Disabilities", (with Ms. Dianne Russell), at C.S. Mott Children's Hospital, University of Michigan, Ann Arbor, MI, November 1996.
- 68 Invited Speaker, "Measuring Quality of Life", at Research Day In Surgery, McMaster University, Hamilton, ON, November 1996.
- 69 Invited Speaker, "Family-Centred Caregiving and Well-Being of Parents of Children with Disabilities: Linking Process with Outcome", at British Association for Child Health Group on Child Development and Disability, Annual Multidisciplinary Conference on Childhood Disability: "The Evaluation of Intervention in Childhood Disability", Nottingham, England, March 1997.
- 70 Invited Speaker, "Spasticity: Factors Implicating Quality of Life", at United Cerebral Palsy Association Annual Conference, Washington DC, April 1997.
- 71 Invited Participant, "Gross Motor Function Measure: An Overview of Properties and Uses", at Alfred I. Dupont Institute Annual Rehabilitation Conference: Rehabilitation Innovations for an Outcome Driven Market: Make It So!", Wilmington, DE, May 1997.
- 72 Keynote address, Lower Extremity - Orthotic Management of Cerebral Palsy, Toronto, ON., November 1997.
- 73 Visiting Professor, University of Colorado Health Sciences Centre, December 1997.
- 74 Pediatric Grand Rounds, Children's Hospital of Eastern Ontario, March 1998.
- 75 Keynote address: Treating Children with Disabilities: What Should We Do, and Why? At: Diversity in Pediatric Interventions: Enhancing Treatment Strategies. Allegheny University of the Health Sciences, Philadelphia PA, March 1998.
- 76 Syndey Rosen Lecturer (invited presentation), Hospital for Sick Children, April 1998.

- 77 Invited Presenter, Vulnerable Child Conference, Rideau Hall, Ottawa, ON., October 19/20, 1998.
- 78 Visiting Professor, Helsinki University Central Hospital (Hospital for Children and Adolescents) November 23-25, 1998.
Lectures: (1) Classification of children with cerebral palsy: Tales of work-in-progress.
(2) Parent well-being and service delivery: Linking process and outcome for families of children with disabilities.
- 79 Keynote Address, International Symposium on Qualitative Assessment of General Movements and Cerebral Palsy. November 26-28, 1998, Graz, Austria (Host: Professor H. Precht). "Classification of Children with Cerebral Palsy: A Story of Work in Progress".
- 80 Keynote Address, 44th Annual Meeting of the Japanese Association for the Education and Treatment of Handicapped Children, October 15-16, 1999, Hachinohe, Japan. "How We Work with Families, and how the Natural History of Cerebral Palsy Helps Us".
Workshop Participant: "Evaluative Measures for Children with Cerebral Palsy. Part I. Clinical Measures: A User's Guide."
- 81 Visiting Professor, CARENIDHI (National Disability Organization, New Delhi, India), October 18-19, 1999.
- 82 Keynote Speaker, Conference on Pediatric Rehabilitation, University of Michigan, April 6, 2000. "What Parents Want from Rehabilitation Professionals". Workshop: "Long-term Outcomes of Motor Skills in Children with Cerebral Palsy."
- 83 Invited Speaker, "Dynamics in child development: perspectives for pediatric physical therapy", Utrecht, May 20, 2000. "Dynamic Systems in Relation to the Disablement Process in Children with Cerebral Palsy".
- 84 Keynote Address, "Surveillance in Child Health: Is There Strength in Numbers?" International Network of Paediatric Surveillance Units (INoPSU) Meeting, Ottawa, June 14-15, 2000.
- 85 Invited Workshop, Canadian Paediatric Society's conference "Beyond 2000: Healthy Tomorrows for Children and Youth" Title: "Supporting Parents of Children with Chronic Conditions", with *CanChild* colleagues.
- 86 Invited Member, Scientific Advisory Committee, Quebec Multi-Centre Hyperbaric Oxygen Study, Montreal, February – May, 2000.
- 87 Invited Speaker, Hospital for Sick Children, "Assessing Quality of Life in Children", September 2000.
- 88 Invited Speaker, Ontario Society of Occupational Therapists annual conference, "At Last! A Functional Classification for Cerebral Palsy: Lessons Learned from a Canadian Research Program", Toronto, April 2001.
- 89 Invited Speaker, Children and Youth with Acquired Brain Injury, "Pediatric ABI: Does It Matter How We Treat the Family?", May 2001, Hamilton ON
- 90 Invited speaker, 5th International Congress on Cerebral Palsy, 7 - 10 June 2001, Bled, Slovenia. "Research in Cerebral Palsy: Challenges and Opportunities".

- 91 Invited Speaker, Rehabilitation Institute of Slovenia (Ljubljana), June 11, 2001. “Motor Development in Children with Cerebral Palsy: Tales from a Longitudinal Study”
- 92 Invited Speaker, Autism and Neurodevelopmental Disabilities in Children, sponsored by the Vermont Rural Autism Project (VT-RAP) and the Vermont Interdisciplinary Leadership Education for Health Professionals (VT-ILEHP). June 28 –29, 2001.
- 93 Invited Speaker, European Academy of Childhood Disability, Goteborg, October 2001. “Gross Motor Development in children with cerebral palsy: lessons from a longitudinal study.”
- 94 Invited lecturer, Habiliteringstjenesten i Østfold, Fredrikstad, Norway, October 2001. Lecturers on Family-centred services and on Motor Development of Children with Cerebral Palsy.
- 95 Invited panelist, Addressing the Challenges of Making Home Care for Children and Youth Evidence Based, Toronto, October 22-23, 2001. “Making Research Relevant for Policy Makers and Practitioners”.
- 96 Ian Goldberg Lecture, Children’s Hospital of Winnipeg, November 1, 2001. “Family-Centred Service: What is it, and Why Should I Care? Lessons from Families of Children with Disabilities”
- 97 Visiting Professor, IWK Children’s Hospital, Halifax NS, March 20-23, 2002.
- 98 Invited Speaker, Duncan Seminar, Children’s Hospital, Seattle, WA, April 2002.
- 99 Mac Keith Lecturer: “Gross Motor Development in Children with Cerebral Palsy: Lessons and Findings from a Longitudinal Study.” British Paediatric Neurology Association, Liverpool, January 11, 2003.
- 100 Guest Lecture: “How Do We Describe Children with Cerebral Palsy: Lessons from Different Classification Systems”? Rehabilitation Institute of Slovenia, Ljubljana, Slovenia, January 16, 2003.
- 101 Invited Keynote Speaker, “The natural history of cerebral palsy: implications for practice”, European Academy of Childhood Disability meeting, Oslo, October 2, 2003.
- 102 Macdonald Visiting Professor, Children’s Hospital, Perth Australia, October 6-10, 2003. Included: Macdonald Oration: “My Big Fat Clinical Research Career (or...Personal Reflections on One Developmental Paediatrician’s Adventures to Figure out What Works)”, October 9, 2003.
- 103 Special Paediatric Rounds, Princess Margaret Hospital for Children, Perth, Australia “Exploring Motor Development in Children with Cerebral Palsy”, October 8, 2003.
- 104 Keynote address: “Caring About Caregivers: Findings from Ontario Families of Children with Cerebral Palsy”. Second Annual Australasian Academy for Cerebral Palsy and Developmental Medicine, Melbourne, Australia, March 19, 2004.
- 105 Keynote address: “Exploring Motor Development in Children with Cerebral Palsy”, Second Annual Australasian Academy for Cerebral Palsy and Developmental Medicine, Melbourne, Australia, March 19, 2004.
- 106 Keynote address: “Severity Assessment in Children with CP: What Should We Look at, How and Why?” at the Annual Workshop of the Surveillance of Cerebral Palsy in Europe (SCPE) Group, Grenoble,

France, May 7, 2004.

- 107 Keynote address: "The Measure of Processes of Care: Methodological Aspects and Implications for Rehabilitation Practice." at the conference: "The Collaboration Between the Family and the Rehabilitation Team for Children with Motor Developmental Disabilities" Bergamo, Italy, June 2, 2004.
- 108 Keynote addresses: "Prognosis for Gross Motor Function in Cerebral Palsy: Creation of Motor Development Curves"; "Gross Motor Function Classification System: Development and Properties" and "Transition to adulthood: What kind of services do adolescences and young adults with CP need and who will provide it?" Reykyavik, Iceland, October 2004.
- 109 Keynote address: "Motor Development in Children with Cerebral Palsy: Tales of Journey-in-Progress". Cleveland Clinic, Cleveland OH, March 4, 2005.
- 110 Keynote address: "Family-Centred Service: What is It, and Why Should I Care? Lessons from Families of Children with Disabilities", Conference on Family-Centred Service, Edmonton, March 10, 2005.
- 111 Keynote address: "Family-Centred Service: What is It, and Why Should I Care? Lessons from Families of Children with Disabilities", Association of Paediatric Chartered Physiotherapist National Conference 2005 UK 'Family Choices – Children's Voices', Swansea, Wales, April 1, 2005.
- 112 Keynote talk: "Family-Centred Service: What is It, and Why Should I Care? Lessons from Families of Children with Disabilities", at the Infant Mental Health Promotion Project, Toronto, ON April 15-16, 2005.
- 113 Keynote address: "Motor Development in Children with Cerebral Palsy: Tales of Journey-in-Progress". Quebec City, October, 2005.
- 114 Invited lecture at: A Workshop on Diet, Nutrition and Dietary Supplement Use in Autism: Evaluation of the Evidence. NIH, Bethesda MD, October 6, 2005. "The Role of Evidence-Based Research Within the Developmental Disabilities Community"
- 115 Invited lecture: "Motor Development in Children with Cerebral Palsy: Tales of Journey-in-Progress", Michigan State University, November 2005.
- 116 Invited consultant in Developmental Pediatric research, University of Utah, December 2005.
- 117 Invited lectures at the International Cerebral Palsy Conference, Oulu Finland, February 2-5, 2006. "Tools for Assessments of Impairments and Improvements", February 4, 2006 "Creating Evidence-Based Therapy", February 5, 2006
- 118 Invited speaker, East European and Mediterranean Meeting on Cerebral Palsy and Developmental Medicine, Warsaw, Poland June 8-10, 2006 "Clinical Tasks in the Measurement of Function: Gross Motor Function Measure".
- 119 Invited speaker: Office of Research on Women's Health, NIH, Bethesda MD June 13 "Family-Centred Service: What Is It, and Why Should I Care? Lessons from Families of Children with Disabilities"
- 120 Invited participant: "Waiting for Child Development and Rehabilitation Services Workshop" Vancouver August 2006.

- 121 Keynote Address: Child Development Update, University of Toronto, November 11, 2006, "Why There Has Never Been a Better Time to Be in Developmental Paediatrics!"
- 122 CAPHC-sponsored conference: "Child Health in the 21st Century: The Role of the Paediatrician in an Inter-Professional Environment." November 17-18, 2006, Toronto. Invited lecture entitled "Concerning Children, Youth & Families with Multiple Complex Needs"
- 123 Bloorview Kids Rehab-CIHR Consensus Workshop on Paediatric Rehabilitation Research. Keynote talk: "Paediatric Rehabilitation Research: Challenges and Opportunities"
- 124 Invited lecturer: Israeli Association of Child Development and Rehabilitation, December 2006. Two keynote talks: "Why There Has Never Been a Better Time to be Working in Developmental Disabilities" and "Caring About Caregivers: Findings from Ontario Families of Children with Cerebral Palsy".
- 125 Invited workshop contributing organizer and participant: "The Quality of Life for the Young Adult with Neurodisability". A workshop held at The Novartis Foundation London: 9 and 10 May 2007: Funded by the Castang Foundation and United Cerebral Palsy Association.
- 126 Invited Keynote speaker: "Workshop on Outcome Measures", for the Paediatric Rehabilitation Division at the Glenrose Rehabilitation Hospital in Edmonton, Alberta on Friday, June 1st, 2007.
- 127 Keynote speaker, European Academy of Childhood Disability, June 2007, Groningen, Netherlands: "Certainty and uncertainty of determinants of long-term developmental outcome: lessons from longitudinal studies".
- 128 Invited Conference contributing organizer and participant: "The WHO ICF and Childhood Disability Research: Recent Studies and Future Opportunities" addressing "Assessing and understanding disability amongst children with a disabling condition". St. Catherine's College, Oxford, UK, July 2007.
- 129 Invited Keynote speaker, Atlantic Paediatric Society, September 14, 2007: "Why There Has Never Been a Better Time to Be in Developmental Paediatrics!"
- 130 Invited speaker, Canadian Network of Child and Youth Rehabilitation (CN-CYR), Montreal, October 18, 2007. "Exploration du développement moteur chez les enfants atteints de paralysie cérébrale (ou? Comment une question de recherche est devenue un programme de recherche)". Conference organized by Hôpital Marie Enfant
- 131 Invited speaker, Ontario Federation for Cerebral Palsy 60th Annual Meeting, Toronto, October 20. "Cerebral Palsy: Then and Now".
- 132 Keynote speaker, Second Research Summit "*Early Intervention for Children with or at risk for Physical Disabilities (birth to 3 years)*" sponsored by the American Physical Therapy Association, Section on Pediatrics. Alexandria, Virginia, October 26-28, 2007. Title: "Cerebral Palsy: A Brief Look Back... & A Long Look Forward".
- 133 Visiting Professor, University of Calgary, November 21-23, 2007. Presented Paediatric Grand Rounds and Rehabilitation Grand Rounds.
- 134 Invited Keynote Speaker: Partnership and Participation: Environment and Quality of Life of Children,

- Adolescents and Adults with CP, Tel Aviv, Israel, December 2007. Presented a keynote address “Throughout Life with Cerebral Palsy” and a workshop entitled “Measuring and Enhancing Quality of Life of Children and Adolescents with CP”
- 135 Visiting Professor, Child Health Research Institute, University of Western Ontario, February 12-13, 2008. Talk entitled: "Why There Has Never Been a Better Time to Be in Developmental Paediatrics!"
- 136 Keynote talk, McMaster conference “Clinical Approach to the Child with Behavioural Problems” May 21, 2008. Talk entitled: “Diagnosis Versus Symptoms: An Approach in Clinical Practice. Thoughts from the Trenches”
- 137 Keynote speaker, Swiss Congress of Paediatrics, Lugano, June 19-21, 2008. Talk entitled: “Networking in Child Health Care: New Ideas – or Things We Just Need To Do?”
- 138 Invited participant and speaker, International Society of Prosthetics and Orthotics, Oxford UK September 8-11, 2008. Keynote talk entitled: “Cerebral Palsy in the 21st Century: What’s New?”
- 139 Invited teaching presentation: Motor development and disorders Ph.D.-course. Copenhagen 25-29 August 2008. Lecture entitled: “Neurodevelopment and CP” delivered by videolink.
- 140 Invited Greenwood Lecturer, September 12, 2008, Peninsula Medical School, Exeter, UK. Talk entitled: “Family-Centred Service: What is it, and Why Should I Care? Lessons from Families of Children with Disabilities.”
- 141 South African Neurodevelopmental Therapy Association Invited Keynote speaker, October 20-25, 2008. Talk entitled: “Revisiting Cerebral Palsy in the 21 Century: What's Old and What's New?”
Workshop entitled: “The Story of the *CanChild* Motor Development Research Program”
- 142 Visiting Colloquium Presenter, November 6-7, 2008, Waisman Center, University of Wisconsin-Madison, WI. Talk entitled: “Exploring Motor Development in Children with Cerebral Palsy (or... *How a Research Question Became a Research Program*)
- 143 Invited speaker, November 21-23, 2008, Indian Association for Cerebral Palsy. Five talks:
a. “Prognostication in cerebral palsy: How far can we go?”
b. “Quality of life Concepts: Lessons for disability management”
c. “GMFCS & Motor Growth Curves: Looking towards Optimality rather than Normality”
d. Keynote Address – “Family-Centred Services in Developmental Care: Why this Copernican [R]Evolution?”
e. “New Definition of Cerebral Palsy: Need & Futuristic Vision”
- 144 Lisbon, Portugal, Jan 21-23, 2009, invited talk: “Exploring Motor Development in Children with Cerebral Palsy (or... *How a Research Question Became a Research Program*)
145. 3rd International Cerebral Palsy Conference • Sydney • 18-21 February 2009 Keynote address: “What Parents And Clinicians Want To Know – and What We Should be Telling Them – in 2009”
- 146 Leaders in Rehab Conference, Edmonton, AB, March 19-20, 2009: “The Rehabilitation of Function, the Function of Rehabilitation”. Invited keynote talk: “Participation: Incorporating the ICF into Rehab Practice”.

147 Graz, Austria, April 23-26, 2009. Recipient of the Emil Becker Award of 2009, with a talk on the motor development work by the *CanChild* group over the past 25 years.

148. Co-Chair, Speaker, 'Quality of Life in Childhood Onset: Chronic Conditions & Disorders' Conference, May 3-5, 2009 at Queen's Landing Inn, Niagara-on-the-Lake, Ontario.

148 Family Centred Care Conference, Edmonton, AB, May 24 - 26, 2009. Invited keynote: "What is it and why should I care? Lessons from Families of Children with Disabilities". Also, present a workshop entitled: "Myths about Family-centred Service – and How We can address these".

149 June 19, 2009. Wolfson Centre, University of London, UK Conference 'Advances in Neurodisability'. Invited lecture entitled: "Perspectives on Parents of Children with Disabilities: Lessons from Health Services Research and Experience."

150 Annual Meeting of CPS, June 23-26, 2009.

151 63rd Annual AACPD, Scottsdale, Arizona, Sept 23-26, 2009

Special Invited Consultations

1. Review of Developmental Pediatric Services (with Dr. Ron Barr, McGill), University of Manitoba, Winnipeg, MB, November 1995.
2. Chair, Review Team (with Dr. R. Armstrong and Ms. J. Ferguson), Child Development Services, Hospital for Sick Children, Toronto, ON, September 1996.
3. Invited Review of Programs and Services, Ottawa Children's Treatment Centre, March 1998.
4. Chair, Review Team (with Drs. Charles Cunningham and Bill Mahoney), Capital Health Region Developmental Services, Edmonton, AB, November 2000.
5. Chair, Review Team (with Dr. Darcy Fehlings), Developmental Services, Markham-Stouffville Hospital, March 2001.

q. Administrative Responsibilities

(Past)

Chairman, Students' Assistance Group, Faculty of Health Sciences, McMaster University, December 1974 - June 1979.

Admissions process for McMaster Medical School: Co-ordinator, Simulated Tutorials, 1975-77
Collation Committee, 1976-81

Director of Pediatrics and Director of Developmental Assessment and Treatment Services, Chedoke Child and Family Centre, 1978 - 1994.

Member, Operations Group, Chedoke Child and Family Centre, 1978 - 1994.

(Current)

Member, PhD Supervisory Committee, 1986-

Member, *CanChild* Team, McMaster University, 1999-

Member, Chairman's Advisory Council Committee, Department of Pediatrics, 1980 – 1994; 2001 –

Member, Finance Management Committee, Department of Paediatrics, McMaster, 2003-

Chair, ASQME Committee, CanChild, Centre for Research Disability, McMaster

Director, McMaster Child Health Research Institute, McMaster University

Acting Chair, Department of Pediatrics, 2009-

Chair, Canada Research in Childhood Disability, McMaster University

Member, McMaster Child Health, McMaster University

Chair, Academic Department of Pediatrics Committee, 2009-

Chair, Pediatric Grand Rounds, 2009-

Member, Hamilton Academic Health Sciences Organization (HAHSO) Committee, 2009-

Member, Council for the Michael G. DeGroote School of Medicine, 2009-

Member, Executive Committee on Research (ECOR), 2008-

r. BIOLOGICAL LISTINGS:

Peter Rosenbaum, MD, FRCP(C), Professor of Paediatrics at McMaster University, holds a Tier 1 Canada Research Chair (since 2001). He is among the most experienced developmental paediatric researchers in the world. With his colleague Dr. Mary Law Dr. Rosenbaum was the co-founder of *CanChild* Centre for Childhood Disability Research at McMaster, an award-winning multidisciplinary health system-linked research centre. In October 2007 Dr. Rosenbaum became the inaugural Director of McMaster's Child Health Research Institute, addressing 'Children with complicated lives and their families within a life-course perspective'.

Dr. Rosenbaum has held more than 70 peer-reviewed research grants and is a contributing author to over 200 peer-reviewed journal articles and book chapters.

As a teacher and mentor Dr. Rosenbaum has worked as supervisor or committee member with 45 master's and doctoral level students, including students at the Universities of Oxford, Utrecht, Witwatersrand, Ljubljana (Slovenia) and Toronto in addition to McMaster. His accomplishments have been recognized with the Ross Award from the Canadian Paediatric Society (2000), the Weinstein-Goldenson Scientific Award from the United Cerebral Palsy Research and Educational Foundation in Washington, DC (2002), an Honorary Doctor of Science, Université Laval (2005), and the first AACPD M Mentorship Award (2007).

s. OTHER RESPONSIBILITIES:
